

"A big, BIG thank you to Kerry and the girls at KJM for making the morning of my wedding day really enjoyable. The girls went out of their way to come into work earlier to do our hair and we were looked after really well with plenty of fizz.

I will defiantly be recommending you guys to all my family and friends in the future."

Francesca Wojciechowski

"Kerry was brilliant. I did have a vision of what I wanted and Kerry was able to replicate this during my trial in the best way that suited my hair.

On the day Kerry and Susan arrived promptly and made myself, my mum and my four bridesmaids feel extremely relaxed. This made the whole morning run really smoothly and I was so pleased with my own hair and my bridesmaids, who all commented on how well theirs lasted throughout the day. I would highly recommend KJM to anyone looking for a professional yet relaxed and enjoyable approach to their wedding hair."
